   **MADE IN GERMANY**

LIQUID NANO GREASE

LUBRICANT WITH ANTI-CORROSION PROTECTION.

Transparent synthetic lubricant with high lubrication capacity for hinges, joints, and much more.

This product forms a long-lasting, high pressure-resistant protective layer, reducing friction and wear.

BENEFITS:

- ✔ Highly adhesive lubricant, ideal for chains.
- ✔ Water-repellent and reduces wear.
- ✔ Creates a layer resistant to high pressure and centrifugal force.
- ✔ Heat and salt resistant.

CAMPOS DE APLICACIÓN:

Perfect for lubricating exposed components in outdoor environments. Highly recommended for industrial, motorcycle, and bicycle chains.

CONSUMO:

As it is used.

TIEMPO DE REACCIÓN:

Works during operation.

APLICACIÓN

Shake well before use. Thoroughly clean the surfaces you wish to treat. Apply the product and let it act for 5 minutes.
